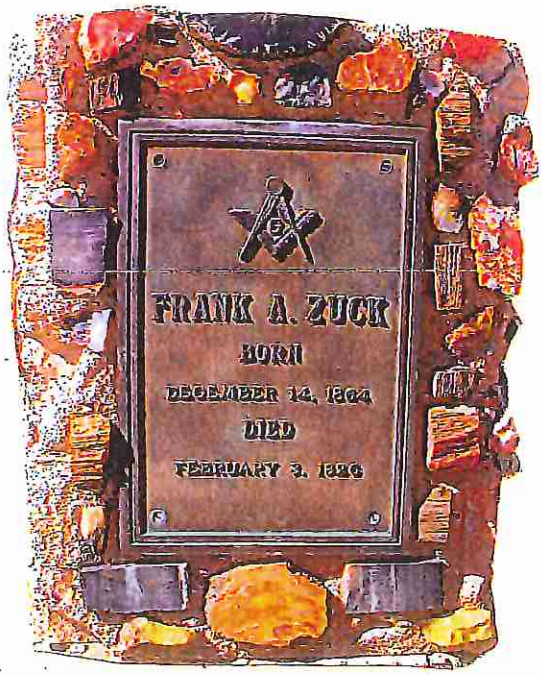
"One can tell the morals of a culture by the way they treat their dead."
Benjamin Franklin



Wooden crosses have been placed throughout the cemetery
where old city records indicate there has been a burial,
but the person's identity is not known to us now.

****

List of KNOWN BURIALS in the Holbrook Cemetery
where the actual GRAVESITE is UNKNOWN

(Any information on any of these persons would be welcomed,
so their gravesite could be located and a marker placed upon it
....or we can correct our records, if needed)
* pioneer with special place in early Holbrook history

??? DO YOU HAVE ANY INFORMATION on any of these people ???

Listed below are names that were found in various records on whom we have NO good information for identification. Some appear on old City records as a "reserved gravesite".... so we do not know if that person is buried here or was later buried elsewhere. Maybe someone else, a relative perhaps, is buried there. Possibly the gravesite was never used. Any information would be welcomed.
